

Dear Parents,

We have had fun this month learning about the farm and pumpkins – we checked to see if pumpkins float, cleaned one out and tried the seeds. (After Miss JoDee cooked them.) We even made butter. Some of us thought that was yummy. We enjoyed hearing about Noah’s Ark and are very thankful that Noah chose to obey God. We are working hard on our Kuske Math and our letters E, O, T & L.

This next month we will be learning about transportation. Our bible story is: David & Goliath. Letters of the month are: B, N, M & H. Our character development is: Thankfulness. We will be talking about the first Thanksgiving and what it means to be thankful.

Thanks to those of you helping out our class by setting up snack and doing our testing for our classes! It is a real blessing to us.

Important dates this month are:

- Wednesday, November 23<sup>rd</sup> – Book orders due
- Thursday, November 24<sup>th</sup> – NO SCHOOL – Thanksgiving Break

We will have another fun month of learning!

Thank You – Miss JoDee
