

Angela Lauer serving in Gulu, Uganda Our Sister School

Dear Parents,

We were so blessed by your generosity to our school with our fall fundraiser, that God has led us to share those blessing. SonShine Preschool & Kindergarten will donate 1/2 of the proceeds for Angie's school (which is under an avocado tree—see the picture on my bulletin board).

Angie Lauer, is going to Gulu, Uganda in one week. She came to me last week to ask us to be their sister school. What an honor! This was not a request for money (although that helps too), but for us to pray and share ideas with her through email and letters and pictures!

Please take some time to read Angie's letter (attached).

I encourage you to go to www.actionintl.org/lauer for more information about this mission that has certainly touched our hearts here at SonShine Preschool & Kindergarten.

Angie will be sending us pictures and updates once she gets down to Gulu and settled into her little apartment.

Thank you all for blessing not only our school, but the children of Uganda!

God Bless You! Joanne Krepela

P.S. Our next fundraiser will be the Rummage Sale in January 2008!
