

Dear Parents,

We have had a fun month learning about us, our 5 senses, the fruit of the spirit and our letters of the month. We would like to thank you for your hard work on your mobiles of your children. They all turned out great and the kids are enjoying talking about them. We will be sending them home when we get through the rest of them.

This next month we will be learning about Zoo animals, Daniel & the Lion's Den, The Easter Story and our Character Development is: Truthfulness. Our last letters of the month are: P,Z,Q and X. At the end of the month we will be sending home the 2nd set of the flash cards with the last ½ of the alphabet letters that we learned. At the end of the month and into April we will be reviewing the letters for those that need it and then splitting our class into reading groups for those that are ready. We will be working on sounding out short 2 and 3 letter sight words and blending the letters. It is a very exciting time to see the kids move up in the groups and begin to read more.

We will continue to practice for our Easter musical. The children are doing very well. Please continue to play/ practice the cd.

Just a note about toys from home: Please encourage your children to keep their toys at home. They may want to bring a special toy. They could keep it in the car and when they get picked up from school it could be waiting for them. If they do bring a toy it will be kept out in the hallway until it is time to go home. The toys can cause a distraction for some and it just makes one more (or 16 more) things to try to remember (or find) at the end of the day. Thank you for your help and consideration on this.

Our book orders are due: Wednesday, March 10th.

Looking forward to a great month.

Miss JoDee ☺
