

Dear Parents,

We have had a great month learning about butterflies, frogs & plants. Ask your children what has happened to the caterpillars and the tadpoles. We heard the story of the Good Samaritan and helpfulness. We have been writing our numbers. We are sounding out words during circle time. You have very smart children.

In May we will be learning about sea life. Our Bible story will be: Jonah & the whale. We have finished our testing and we are splitting up into reading and letter review groups. Some of us will be working on sight words. Our character development is: Wisdom.

This is our last full month of school already. During the last full week of school we will be having camp at school. The children will be able to bring a blanket and 1 stuffed friend. They are also welcome to bring flashlights. We will have pajama week (Yes, every day!) It will be a lot of fun. More information will follow as we get closer to the date. We will also be celebrating our 100 days of school. With a cake that has 100 M&Ms on it 😊 YUMMMMM!!!!

Important dates: Wed. May 5th : Scholastic Book order due

Fri. May 28th & Mon. May 31st No School/ Memorial Weekend

Fri. June 4th Lat day of school/ Graduation Day 😊

We look forward to a Fun filled month!

Miss JoDee 😊
