

Here it is October already. Wow! This month we are continuing on with transportation, we will be adding fire safety, fall harvest and of course colorful leaves and pumpkins. Your children settled in so nicely. Miss Marlo (marshmallow) and I feel blessed that they are already enjoying their classes.

I need to mention a couple of things. Please, please, take your child to go to the bathroom when you come to school. We are taking half the class to the bathroom shortly after their arrival. Also some of my children seem to be very hungry when they arrive. They want to eat right away and some even to the point of tears.

This month we have our **“bike-a-thon” fund raiser**. Joanne will send home all the information that you need.

**Pictures will be taken on the 19<sup>th</sup> and the 20<sup>th</sup> of this month.**

We will be going to **THE FARM October 23<sup>rd</sup>**. This is a **Friday** so mark your calendars. It is a very fun field trip. You will want to wear boots and may want to bring an extra pair of shoes and socks. Also bring a bag or you may get stuck carrying a dirty pumpkin. Joanne will also send home directions and information for this field trip.

Let's see, I think the only other special days are **Wednesday the 28<sup>th</sup> and Thursday 29<sup>th</sup> which will be Pajama Day**. This will be our Fall Festival and your child can wear their pajamas to school. We will be playing in the gym that day so we won't be outside. Please feel free to bring in treats on your child's pajama day. We will share some and send home what we can. We have **11 students in Mon-Wed**. Our **Tuesday and Thursday** class is now full with a total of **15 students**.
