

SonShine Preschool &

Kindergarten is dedicated to providing your child with a safe and loving place to learn the basics for their primary education. Learning centers have been established to nurture your child's natural curiosity. Our goal is to utilize our learning centers to help your child grow socially, emotionally, cognitively and spiritually to the potential God has given them at this stage of their development. We see your child as an unique individual and strive to develop a deep love of learning in him/her that will last a lifetime.

Our philosophy is to provide an environment that maximizes creativity, sparks wonder, and enhances learning opportunities.
